### **DETAILED ACTION**

1. This application is in condition for allowance except for the following formal matters:

In line 6 of claim 22 the phrase "a first play distance from said base" is unclear in light of the third play (b) which is described as being present in the radial direction and, thus, measured with respect to the base.

Examiner recommends amending the claim to avoid confusion between the first play distance from said base and the third play (b).

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

### ***Response to Arguments***

2. Applicant's arguments, see pg. 5, filed 11/13/06, with respect to the 35 USC 103 rejection of claim 20 have been fully considered and are persuasive. The 103 rejections of the claims have been withdrawn.
